ASHEVILLE ON BIKES IS A REGISTERED 501C3 NONPROFIT BASED IN ASHEVILLE, NC.

Your Sponsorship Support

Asheville on Bikes (AoB) has been a cornerstone of dynamic events and programs in Asheville for the past eighteen years. During this time, our city has undergone remarkable changes, and AoB has evolved alongside it. As we look ahead to 2025, our vibrant events and programs will play a pivotal role in helping Asheville recover and rebuild from the impacts of Hurricane Helene.

With your support, AoB is poised to deliver high-impact events and initiatives that celebrate Asheville's unique culture while advocating for continued investment in complete streets, trails, and greenways. Sponsoring AoB means equipping us with the essential resources to propel our city forward.

Your partnership makes our work possible. Thank you for considering this opportunity to join us in shaping Asheville's future.

Thank you.

Mike Sule
Asheville on Bikes, *Executive Director*

TABLE OF CONTENTS

2 Who is Asheville on Bikes?

EDUCATION

We teach kids and adults how to ride safely in an urban setting. We educate public officials about the social and economic benefits of cycling and complete streets infrastructure.

20 Our Shared Agreement

Asheville on Bikes cultivates the culture of urban and commuter cycling through advocacy & celebration. We believe that cycling has a direct impact on the health of our community.

WHO IS ASHEVILLE ON BIKES?

Our History

Founded in 2006, Asheville on Bikes began as a group of 25 costumed cyclists who won a cash prize in Asheville’s holiday parade. That prize became the nest egg for Asheville on Bikes’ initial advocacy efforts, including community rides, bike corrals, and many, many emails to city and county staff. 15 years later, Asheville on Bikes has become synonymous with bicycle advocacy in Western North Carolina. Our efforts to improve Asheville’s bicycle and pedestrian infrastructure, encourage more people to ride bicycles for recreation and transportation, and make Asheville a safe, easy, and enjoyable city to ride a bike are succeeding, thanks to the support and hard work of our members and sponsors.

—AOB RIDE PARTICIPANT

YOUTH CYCLING PROGRAMS

Let's Empower Kids to Ride with Confidence

Bike Club has three sessions throughout the year. In the Spring and Fall, Bike Club is hosted at Asheville Middle School in partnership with In Real Life, the middle schools after-school program. In the Summer, AoB coordinates with Youth Transformed for Life, a local non-profit working in Asheville and Buncombe County with youth who are disadvantaged, assisting them to reach their personal, educational, and professional goals.

AoB coordinates with a variety of community partners to provide youth cycling experiences designed to improve access to cycling to middle school aged students. Bike Club students learn how to ride their city with knowledge, skills, and joy. Students are paired with a trained coaching team and are provided with quality bicycles, helmets, and signature vests.

The Bike Club curriculum runs six to eight weeks. In that time, students learn how to wear safety gear, operate and maintain their equipment, and navigate traffic, greenways, and trails on a bike. We build in plenty of time and activities that allow students to safely practice navigating on two wheels. By the end of the program, they have real experience using a bicycle for transportation and recreation.

YOUTH CYCLING CHAMPION

\$20,000

Underwrite the expansion of AoB's after-school bicycle program, so we can reach more students in 2022.

"We are beyond grateful to AoB for providing physical activity for the kids (which is especially therapeutic during the time we're living in). I feel genuine support and togetherness. The moment when a pre-teen learns to ride is triumphant. That accomplishment raised self-esteem, self-worth, and can counteract life trauma—truly a blessing! Like Maya Angelou said, 'People will forget what you said, people will forget what you did, but people will never forget how you made them feel.'"

— THOMAS PRIESTER,
YOUTH TRANSFORMED FOR LIFE DIRECTOR

POP-UP BICYCLE PARKS

AoB’s coaching team brings bicycle fun into communities and events. The mobile features can be set up in a variety of ways to accommodate for unique settings and rider skill levels. Throughout 2023, AoB parks have been in a variety of places and events:

- City of Asheville’s Festival of Neighborhoods at Martin Luther King Park
- Southside Reunion at Walton Street Park
- South French Broad Neighborhood’s Fall Festival at Aston Park
- Pumpkin Pedaller & Summer Cycle at New Belgium Brewing
- Spring Out at Wedge at Foundation.

If you have an event or place you’d like to see a pop-up bicycle park, AoB can make it happen.

QUOTES FROM STUDENTS

“It felt good to have a moment to let my internal kid come out. I am very happy I had the chance to do some exercise before leaving for college.”

—PAMELA

“My experience at the bike ride was amazing. It brought flashbacks to when I used to ride my bike last year and how exciting it was to work hard to get somewhere. I was sweating a lot but it was worth it. I love it !! I wish I could do it again!!!”

—KENNY

CYCLESMART COMMUTER CLASSES

Let's Help Bike Commuters Get There Safely

CycleSmart courses, taught by League of American Bicyclists certified instructors in partnership with the Blue Ride Bicycle Club, help teens and adults learn how to ride their bikes safely and efficiently in an urban setting, so they can shop, work, and play without a car (or the hassle of finding a parking space).

Bicycle Ticket Diversion with CycleSmart

AoB partners with the Buncombe County District Attorney's office to offer the Bicycle Ticket Diversion Program, the first of its kind in NC! Commuters charged with a traffic violation while riding their bike can have their ticket and fines dismissed upon successful completion of the 3-hour CycleSmart class. This program is instrumental in our efforts to reduce economic barriers to bicycling and make it an accessible form of transportation for all income levels.

RIDE WITH GPS ROUTE LIBRARY

Bike riders can access community ride routes on the AoB RideWithGPS account. Bike riders can preview before an AoB event or download turn-by-turn directions to find new routes to ride on their own. Each route averages 1,500 annual views. Debuted in 2019, this program helps Asheville bike riders identify safe, pre-ridden routes based on their skill level and even whether they have kids.

CANDIDATE FORUMS, CANDIDATE QUESTIONNAIRES

Let's Connect with Our Elected Officials

Get There AVL

Every election cycle, Asheville on Bikes hosts Get There AVL, a public candidate forum focusing on Asheville transportation systems and issues. Our forums allow candidates to share their perspective on transportation issues in Asheville, and citizens have the opportunity to talk with each of the candidates in a relaxed, town hall setting. Our forums are well attended by both candidates and citizens.

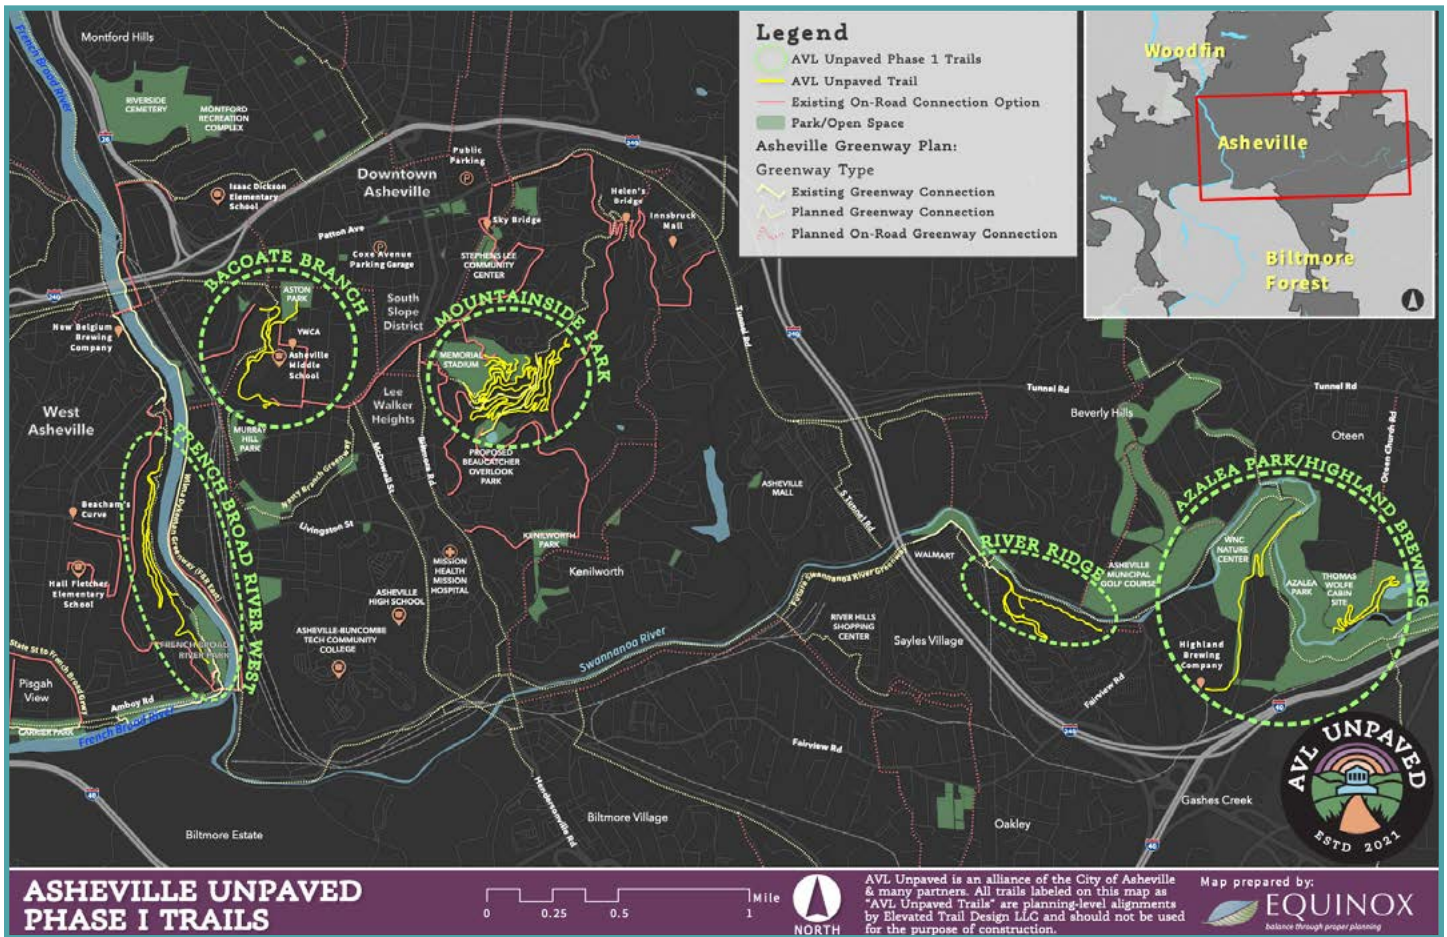

We also survey general election candidates, asking for their thoughts on multi-modal transportation in Asheville, and publish their answers on our website.

Our Get There AVL forums draw the largest attendance of all the local candidate forums—it's clear that **our community cares about transportation** issues in Asheville.

OUR GOALS

Asheville Unpaved

Asheville Unpaved is a community-supported initiative, led by Asheville on Bikes, Pisgah Area SORBA, and Connect Buncombe, dedicated to building a network of multi-use natural surface trails that will help Asheville-area residents and visitors connect with one another, their natural environment, and their city.

Goal #1

We're helping to make public spaces more accessible, safe, and functional for all users.

This is a big goal, but we are achieving it with the help of our community.

Goal #2

We're making the case for the economic impacts of active transportation. We want to live in a city thriving with opportunities for all.

Goal #3

We're making bicycling more accessible to all. Starting with our youth after-school programs, we're taking strides to make everyone feel welcome and represented at AoB.

AVL UNPAVED

Let's Reimagine Our Public Spaces

AVL Unpaved Alliance led by AoB is dedicated to building three pilot natural surface trail systems to support better connections into the City's natural environments for Asheville-area residents and its visitors in 2024. Users will be able to access this unpaved trail system via greenway, sidewalks, bike lanes, transit, and trailheads, providing "front door" access to trails. AoB holds the naming rights to the phase one trials and trailhead kiosks. If you're interested in sponsoring a trail or kiosk, reach out to AoB.

BUILDING SMARTER INFRASTRUCTURE

Let's Build Safer Roads

Our members & supporters make an impact

In a city survey, more than 59% of citizens favored a Merrimon Avenue road diet to convert the dangerous North Asheville corridor from 4 lanes to 3, maintain 5-foot extended sidewalks, and create 5-foot bicycle lanes. Our city council approved the measure in May of 2022. This is just one example of how the efforts of our members, sponsors, and business partners are helping us make real changes on the ground and in the community.

WE SPEAK UP AND LOBBY DIRECTLY TO STATE & LOCAL ELECTED OFFICIALS

Advocacy means speaking up and inspiring others to take specific actions. Asheville on Bikes (AoB) actively champions investments in complete street treatments to improve safety and accessibility for all. For example, we collaborated with community members, the City of Asheville, and the North Carolina Department of Transportation to reconfigure Merrimon Avenue, reducing vehicular collisions and adding bicycle lanes.

Our advocacy extends to ongoing coordination with these agencies to advance improvements on downtown's College & Patton Avenues, Coxe Avenue, and West Asheville's Haywood Road. As we rebuild transportation systems along the Swannanoa and French Broad Rivers, AoB is pushing for the inclusion of greenways and trails to establish regional active connections, as outlined in the Hellbender Regional Trail Plan.

We've made our voices heard at Asheville City Council meetings, the Multi-Modal Transportation Commission, and the French Broad River MPO. We've engaged local groups, written letters to the governor, and taken our advocacy to Raleigh and Washington, D.C. as lobbyists. From calls and emails to stamped letters, we leave no stone unturned in our efforts to make Asheville the safest place in North Carolina to ride a bike.

Our dedication has not gone unnoticed. In 2020, the League of American Bicyclists named Asheville on Bikes the "Bicycle Advocacy Organization of the Year."

"22-year resident of Asheville. AoB continues to initiate vital urban transportation restructuring historically lacking and overdue in the region. Please keep up the fight!"

—SPRING OUT 2018 PARTICIPANT

OTHER WAYS WE MAKE AN IMPACT:

- ✔ We attend NC Bike Lobby in Raleigh & National Bike Summit
- ✔ We create & share citizen question guides and letter templates for upcoming public meetings
- ✔ We speak up about threats to cyclists' safety and make sure criminal acts are addressed
- ✔ We're leading the charge to establish natural surface trails throughout our city that connect to the Hellbender Regional Trail.

ANNUAL GROUP RIDES & EVENTS

Bike Love

Bike Love is a festive AoB benefit gala held each February at Highland Brewery as we emerge from cold winter days spent indoors. Bike Love celebrates the cycling community and what we can accomplish together, and tickets are set at an affordable price point. We gather to dine and dance to live music, and screen a slideshow of member-submitted photos from events and rides throughout the year. Past events have included a commuter bicycle giveaway raffle, a silent auction full for bicycle gear, and a bicycle advocacy showcase.

"...these rides are one of the last authentically Asheville events, in my opinion. They feel so homegrown, grassroots, unapologetically silly, and spontaneous. Love love love."

COMMUNITY ENDORSEMENTS

“AVL Unpaved looks awesome. The City needs to build more greenways and natural surfaces are a double plus.”

—Spring Out '24 Participant

“One of my favorite things about AoB rides is riding new roads/routes that I've never ridden before - even after 27 years of riding my bike in Asheville!”

—Longtime AoB Member

“The best thing about volunteering with AoB is all fun while meeting new people who are also interested in supporting a great cause!”

I love volunteering for AoB and I'd be glad to volunteer for other AoB events!”

—2023 AoB Volunteer

BIKE LOVE STORIES

“I love bikes and I love Asheville on Bikes.”

“I fell in love with my now fiancé at Spring Out 2014!”

“I loved the community and thank you for providing a safe rally to ride through the city.”

—Pumpkin Pedaller '24 Participant

“My most memorable AoB experience was my first Pumpkin Pedaller ride; it was such fun with folks in costume, music, perfect fall weather and a beautiful route. I fell in LOVE with AVL that day!”

—2015 - 2024 AoB Member

“1st time attendee...VERY excited! Thanks to all in this community striving to make AVL safer for bikers!”

FEATURED SPONSORSHIPS

When you sponsor Asheville on Bikes, you're helping us keep up the momentum as we build a safer, happier community with a stronger economy.

You have many options to get involved:

AFTER SCHOOL BICYCLE CHAMPION

\$20,000

Be the reason we can expand our After School Bicycle Program to more kids in more schools.

SPONSOR A COMMUTER BIKE GIVEAWAY

\$2,500

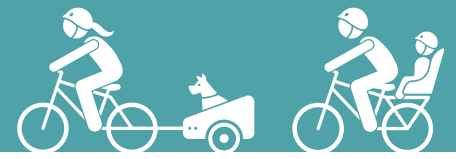

Your funds will purchase a Yuba electric-assist cargo bike, which we'll feature in an auction or giveaway with your name all over it!

BICYCLE FRIENDLY BUSINESS RECOGNITION SPONSORSHIP

\$500

Let us help your business become a Bicycle Friendly Business! We run a series of help sessions for businesses who want assistance applying for a Bicycle Friendly Business Award. These sessions are free, short (just an hour each), and run from May-October.

FEATURED SPONSORSHIPS

CONT'D

BICYCLE FILM FESTIVAL

\$2,000

Bicycle Film Festival is an international phenomenon produced by Brendt Barbur, Founding Festival Director. Barbur was compelled to start the Bicycle Film Festival after he was hit by a bus while riding his bike in New York City. He insisted on turning his negative experience into a positive one.

In 2001 Barbur started the Bicycle Film Festival as a platform to celebrate the bicycle through music, art and, of course, film.

The Bicycle Film Festival has been a major catalyst for the bike movement, one of the most powerful and culturally relevant forces of the last decade.

The BFF has held events in over 100 cities worldwide to an accumulated audience of over 1 million people.

The BFF offers both a streaming and in person showing. In 2023, Rabbit Rabbit hosted the BFF.

RIDE YOUR CITY

Ride Your City is your chance to explore our vibrant downtown, support local businesses, and connect with fellow cyclists in a welcoming atmosphere. This ride is held on Thursdays throughout the year and promises an evening of fun, exploration, and community spirit.

SPONSORSHIP LEVELS

We are currently offering the following sponsorship levels:

3 RIDES

\$2,000

5 RIDES

\$3,000

7 RIDES

\$4,500

What Does the Ride Look Like?

Each ride follows the same schedule, with new venues featured every time. Be sure to follow the event on Facebook, sign up for our newsletter, or check this page for updates.

GATHER

5:30 PM – 6:00 PM

Participants will meet at a designated location in downtown Asheville. Here, AoB hosts will introduce the evening's participating businesses and help groups form based on where they'd like to go.

VENUE

6:15 PM – 7:00 PM

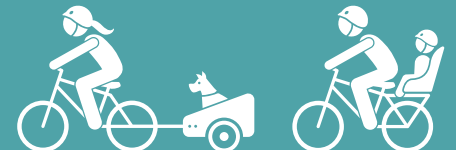

After a short ride through the city, each group will arrive at their chosen venue. At each location, an AoB bike valet will be ready to assist, allowing participants to enjoy their time without worrying about their bikes.

CULMINATE

7:15 PM – 9:00 PM

Following their visit, participants will hop back on their bikes for another ride around the city, culminating at a final venue where the fun continues.

**Ride times and dates can be adjusted to accommodate the seasons and experiences.*

SPONSORSHIP FOR ASHEVILLE ON BIKES' BIKE VALET PROGRAM

Asheville on Bikes (AoB) is looking for a sponsor for our new bike valet program! AoB will offer pop-up bike valet parking for a variety of Asheville events including (but not excluding):

- Get in Gear Fest
- Downtown After 5
- AVL Fest
- Events at the Orange Peel, Rabbit Rabbit, & The Outpost.

This pop-up bike valet parking will allow event-goers to safely park their bicycles in a supervised corral capable of holding up to 200+ bikes. The valet works just like a coat check. AoB staff greets riders, checks in their bikes, and returns bikes to riders at the end of the event.

The bike valets are more than just bicycle parking. They serve as a bicycle social hub where people gather and socialize before the main event.

Bicycle valets can be set up in a variety of locations. We can park 200 bicycles in the same space that's allocated for 10 cars. Bike valets maximize parking at events.

For each event AoB creates a route via AoB's Ride With GPS library to the event or venue so that participants can select a preferred route.

SPONSORSHIP LEVELS

We are currently offering the following sponsorship levels:

3 CORRALS - \$5,000

5 CORRALS - \$7,000

8 CORRALS - \$11,000

To discuss sponsorship, contact AoB's Executive Director, Mike Sule, at mike@ashevilleonbikes.com.

BIKE VALET SPONSORSHIP BENEFITS

- Listed as the presenting sponsor on AoB's bike valet event page. (AoB's website receives up to 5,000 visitors per month.)
- Listed as the bike valet sponsor in each AoB newsletter leading up to the event.
- Listed as the bike valet sponsor on AoB's Ride With GPS event. (AoB's Ride With GPS receives 1500+ views / event)
- Tagged on AoB's Instagram and Facebook accounts.
- Listed as the presenting sponsor on AoB's event slide and all bike valet staff shirts.
